Hi,

I just received information from downtown that the new Benefit Decision Guide is available on the GIC website. There are major changes to health plans this year so if you could e-mail this link out to individuals in your area/programs. I am sure we will get printed materials from downtown but this will geive employees a head start if they can review this information. The open enrollment period is April 12th - May 14th. Please let me know if you have any questions.
